Gibraltar Construction Corp.
88 South Lakeview Dr • Bldg 3
Gibbsboro, NJ 08026

Dear Lee, Paul and the entire Gibraltar Team,

What can I say, thank you for all your great efforts and for a job well done.

As with all major projects, there is always a degree of anxiety and apprehension that accompanies them; about who is going to do the work, how many problems will occur, will it be worth the time and cost?

The answer, fortunately is simple...Yes, it was worth it. Because of you and your crew at Gibraltar who worked on my office renovation. Everyone at Gibraltar was very helpful, attentive and answered any questions I had immediately. They kept me apprised of what was going on at all times. The renovation was finished in the time that Gibraltar promised and the end result exceeded my expectations.

My new office is amazing, beautiful, and not only do the patients and staff love it, I smile each time I walk in. Great job.

Kindest regards,

Howard D. Lassin, DMD. FAGD.
